

FOR TRANSFER STUDENTS

PROGRAM OVERVIEW

As the only program of its kind in the Rocky Mountain region, we offer a bachelor’s degree that prepares undergraduates to work as audio engineers with acoustic recording and editing. Students learn from expert faculty and from each other, completing six semesters of audio production course work and developing a professional-level portfolio. Recording Arts covers technical fundamentals and then moves beyond the basics to explore theories supporting advanced problem-solving and technique, as well as creative music mixing strategies.

CU DENVER ACADEMIC ADVISING

Freshmen with fewer than 30 credits and/or CAM students who are Undeclared are assigned to the Center for Undergraduate Exploration and Advising (CUE&A). All other College of Arts & Media (CAM) students with more than 30 credits who have declared CAM majors are assigned to the CAM Office of Advising and Student Services.

*Students can connect with the internal CAM admissions team to learn more about the program, additional admission requirements, spaces, equipment and technology.*

*Students with a declared CAM major that have more than 30 credits are encouraged to meet with a CAM advisor every semester prior to registration.*

*Freshmen with fewer than 30 credits and/or CAM students that are Undeclared students are assigned to the Center for Undergraduate Exploration and Advising. These students are required to meet with an advisor every semester prior to registration.*

COURSEWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION

The following is a “bucket” of requirements students can complete prior to transferring to CU Denver, including equivalent Colorado Community College System (CCCS) courses. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit [www.transferology.com](http://www.transferology.com). It is critical students connect with a CU Denver academic advisor to ensure planned courses will transfer and apply to CU Denver degree requirements. All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer.

Students interested in completing an Associate (A.A. or A.S.) Degree or a [Colorado Statewide Transfer Articulation Agreement or Degree with Designation \(DWD\)](#) must work with their community/junior college academic advisor to create an academic plan that accounts for all degree or transfer articulation agreement requirements. Colorado Community College Students may also explore the option to complete [Reverse Transfer](#) at CU Denver.
