

PROGRAM OVERVIEW

Management is an extremely versatile emphasis that prepares students to pursue career opportunities across a variety of industries and types of businesses including corporate, public sector, and non-profit organizations. Through the completion of this Business Administration degree, students acquire the necessary knowledge and skills to build careers in leadership positions. Examples of typical management career paths are consulting, personnel recruiting and coaching, human resources, sales/client development, and any position that involves managing and leading people to achieve organizational goals.

ACADEMIC ADVISING

It is recommended that students meet with an advisor regarding their individualized degree plan at least once per year.

SAMPLE ACADEMIC PLAN OF STUDY

The following academic plan is a *sample* pathway to completing degree requirements. This schedule can be adjusted to accommodate AP, IB, and/or CLEP credits, as well as courses taken during the summer sessions. Students should tailor this plan based on transfer credit, course availability, and individual preferences related to course load, schedules, and add-on programs such as minors or double majors. Students must complete an experiential learning credit (internship, study abroad program, or project-based course) and a capstone course taken in their final semester. **This plan assumes that the foreign language graduation requirement has been completed with high school courses or proficiency exam.**
