

## PROGRAM OVERVIEW

The Spanish program studies the language, linguistics, literature, culture and civilization of Spain, Spanish America, and the Spanish-speaking areas of the U.S. Through the CU Denver Spanish program, students at all levels may study abroad in Spain, Mexico and other Spanish-speaking countries. Please see a faculty member in Spanish for more information about opportunities to include study abroad as part of the major.

The **Language, Literature and Culture (LLC) track** focuses on these elements of Spanish as a world language. Students take courses in language skills, linguistics, literature, culture and related fields. This is the recommended track for those whose primary interest is the Spanish language and its associated cultures, double majors, future teachers or those considering graduate work in Spanish. Students who major in this track may also choose to pursue the secondary teacher licensure (full details on the language teacher licensure program are available on a separate sheet).

## ACADEMIC ADVISING

The College of Liberal Arts and Sciences (CLAS) supports students to graduation using a shared advising system. CLAS students have two academic advisors with whom they should meet regularly to discuss academic and degree progress: a CLAS Academic Advisor and a major advisor.
