

## FOR TRANSFER STUDENTS

### PROGRAM OVERVIEW

Understanding risk, how to manage it, and how risk management can be used to increase firm value is essential in the current business environment. An RMI degree will provide an overall perspective on risk with a specific focus on insurance products and their use in mitigating risk in business and personal situations. RMI coursework will prepare students for acquiring certification in their choice of insurance specialty.

### CU DENVER ACADEMIC ADVISING

### COURSEWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION

The following is a “bucket” of requirements that students can complete prior to transferring to CU Denver. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit [www.transferology.com](http://www.transferology.com). **It is critical students also connect with a CU Denver academic advisor to ensure planned courses will transfer and apply to CU Denver degree requirements.** All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer. The Business School applies a **maximum of 90 applicable transfer credit hours** towards graduation requirements. We recommend taking **30 credits per year** to stay on course for a 4 year graduation plan.

Students interested in completing an Associate (A.A. or A.S.) Degree or a [Colorado Statewide Transfer Articulation Agreement or Degree with Designation \(DWD\)](#) must work with their community/junior college academic advisor to create an academic plan that accounts for all degree or transfer articulation agreement requirements. Colorado Community College Students may also explore the option to complete [Reverse Transfer](#) at CU Denver.

### SAMPLE PLAN – COURSEWORK TO BE COMPLETED AT CU DENVER

Based on successful completion of 60 applicable transfer credits including the complete “bucket” of requirements outlined above, students would have the following remaining to complete at CU Denver. At CU Denver, students must tailor this plan based on the evaluation of previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, individual preferences related to course load, summer term courses, part-time or full-time student status, or add-on programs such as minors or double-majors.

**Note:** This plan assumes students have completed the Business Foreign Language proficiency requirement. Students who have not fulfilled this requirement must work with a CU Denver Business School Undergraduate Academic Advisor to modify this plan. (Students must demonstrate foreign language proficiency through a 2<sup>nd</sup> semester college-level course equivalent (e.g., SPA 1012 or ASL 1122), proficiency testing through CU Denver’s Department of Modern Languages, or submitting their high school transcript demonstrating completion of a 2<sup>nd</sup> year (Level II) high school course with a minimum grade of “C-” (1.7) in the 2<sup>nd</sup> semester of the 2<sup>nd</sup> year).
