# CAMPUS SAFETY SURVEY

October 2022

# BACKGROUND

*In Spring 2022, the Police Department conducted a survey of campus constituents to determine their perceptions of safety on campus, as well as their assessment of the Police Department's performance.*

## KEY FACTS

- 1,064 people participated
- Of the respondents, 58% were staff, 31% were faculty and 10% were students. 1% identified as “other.”

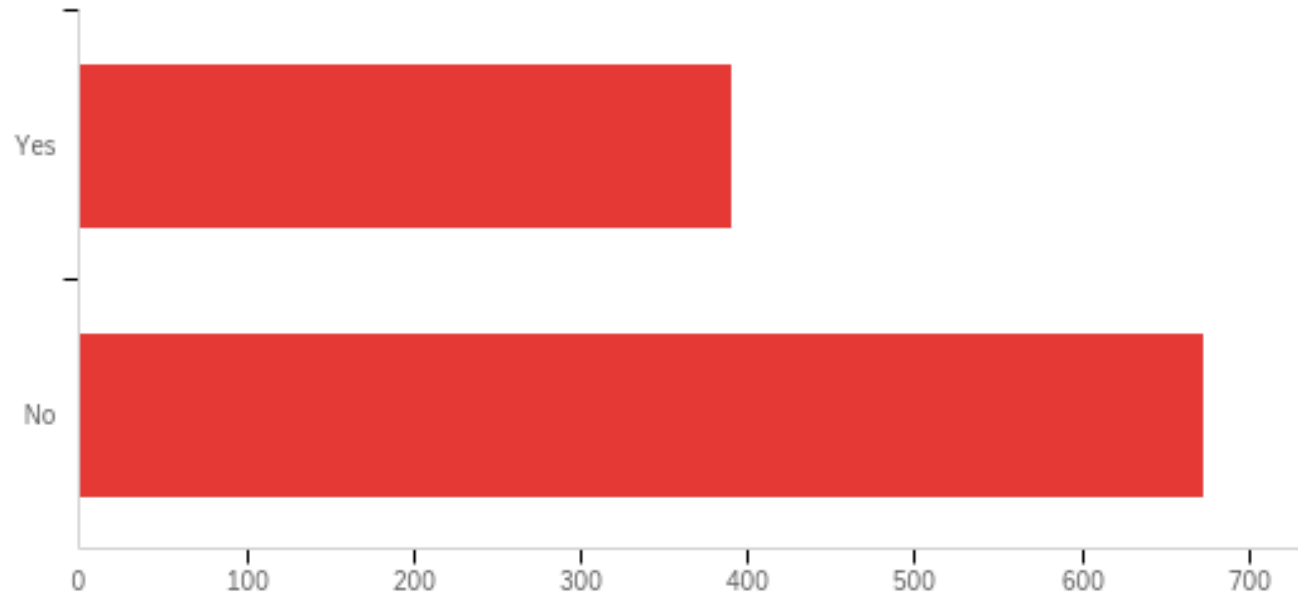

# EXECUTIVE SUMMARY

- **Safety:** 76% of students, faculty and staff feel “somewhat safe” or “very safe” on campus.
- **Reputation:** 61% of survey participants said the Police Department has a “good” or “very good” reputation, while 37 percent said they had a neutral opinion.
- **Competency:** 64% said the Police Department and its employees are “competent” or “very competent,” while 35% had a neutral opinion.
- **Crimes:** The crimes that respondents are most concerned about are motor vehicle theft, theft/burglary and vandalism.
- **Montview Boulevard:** In open comment sections, one of the most reoccurring concerns was pedestrian safety and speeding along Montview Boulevard.

## POLICE DEPARTMENT ACTION ITEMS

*“I appreciate the candor expressed by all who took this survey. We have a common goal of making our campus as safe as possible. We are committed to following up on your recommendations.”*

– Police Chief Randy Repola

### SAMPLE ACTIONS

- Installation of push-button flashing-light crosswalks in key pedestrian safety areas
- Increased patrols in parking lots to deter motor vehicle theft, along with technology strategies
- Additional public safety classes, such as active harmer response training
- More visibility of police officers in patrol cars and on foot
